APPLICATION FOR PAYMENT — 1936 AGRICULTURAL CONSERVATION PROGRAM — SOUTHERN REGION

(Pursuant to section 8 of the Soil Conservation and Domestic Allotment Act)

**SECTION I.—REPRESENTATIONS AND APPLICATION FOR PAYMENT.**—Each undersigned person hereby applies for a payment under the 1936 Agricultural Conservation Program with respect to the 1936 farming operations on the land covered by the work sheet(s) listed above, and certifies that:

1. There are entered in sections V and/or VI hereof the following correct data with respect to the land in the farm(s), located in the State and county indicated herein, identified by the work sheet(s) listed above, on which the undersigned carried on farming operations in 1936, and with respect to the farming operations thereon:

(a) The names and addresses of all persons who are entitled to share in the soil-depleting crops (or the proceeds thereof) produced thereon, or who have incurred any portion of the expense with respect to any approved soil-building practice listed in section VI hereof carried out on such land; (b) the acreage which represents the proportionate share in each of the soil-depleting crops (or the proceeds thereof) to which each such person is entitled under his 1936 lease or operating agreement with respect to such land; (c) the acreage devoted to each approved soil-building practice carried out on such land and the extent to which each such person is entitled to receive payment for carrying out each such practice; (d) the acreage of such land on which the workstock and equipment needed thereon in carrying out the 1936 farming operations was furnished by each such person.

2. The data set forth herein, including base acreages, 1936 crop acreages, and the yield or index for any crop, are correct and complete.

3. Each soil-building practice listed in section VI hereof was carried out on such land in accordance with good farming practice,

and no labor, seed, or other material used in carrying out any such soil-building practice was furnished by any State or Federal agency.

4. No rotation, cropping, or other practice was adopted on such land in 1936 which tended to defeat the purposes of the 1936 Agricultural Conservation Program, and none of the changes in the use of such land involved the destruction of foods, fibers, or feed grains.

5. No person has for 1936 made any change from the 1935 leasing or cropping arrangements for such land for the purpose of, or which would have the effect of, diverting to such person any payment to which tenants or sharecroppers would be entitled if the 1935 leasing or cropping arrangement were in effect for 1936.

6. Work sheets have been filed in accordance with section 2 of part V of SR-B-1, Revised, with respect to all farms owned or operated in this county by each producer applying for payment hereunder; and there are entered in section IV hereof the work sheet serial number(s) of each work sheet covering the same farm for which an application is filed or to be filed with respect to any other farm(s) located in the county in which this application is filed and in respect to which each owner and share-tenant of the farm(s) included hereunder have an interest as owner or share-tenant in the crops (or the proceeds thereof) produced thereon.

7. The farming operations included herein are not included in any other "Application for Payment" pursuant to the 1936 Agricultural Conservation Program.

8. No payment has been received or applied for based on the soil-improving practices listed herein.
